## ***BEYOND THE BOARDS CLASSIC***

***JUNE 18TH, 2025***  
***ELMHURST GOLF & COUNTRY CLUB***

The RINK Training Centre is proud to announce the inaugural Beyond the Boards Classic, taking place on June 18th, 2025, at the prestigious Elmhurst Golf & Country Club.

This exciting new event will bring together partners, supporters, and members of our community for a day of golf, connection, and giving back.

The Beyond the Boards initiative is built on the belief that every athlete deserves an assist — in sport, school, and life. Net proceeds raised from the Beyond the Boards Classic golf tournament will go towards opening doors for athlete development, education, mental health support, and career growth. This year's tournament will extend support to the Manitoba hockey community, mental health initiatives, youth sports, and cancer research.

In the weeks leading up to the tournament, we will be unveiling a roster of special guest athletes and community ambassadors who will be joining us for the day.

We look forward to your support and hope you'll join us as part of our growing RINK community.

## Weather Policy

In the case of inclement weather, we will make every effort to delay play and complete the tournament safely.

If play is ultimately canceled, a special indoor experience including a Q&A and Meet & Greet with attending athletes will be hosted at Elmhurst Golf & Country Club.

All registered golfers will also receive a complimentary pass for a future round of golf with cart.

Please note: Due to travel and event commitments, sponsorships are non-refundable. However, every effort will be made to deliver full brand exposure regardless of weather conditions.
